

## **Channel Manager for Hotels**

Distribute Everywhere. Control Everything.

Powered by **Purple Technologies**

# Managing Multiple Channels is Chaos

- Updating rates on each OTA manually
- Risk of overbookings
- Inconsistent inventory across platforms
- Time-consuming operations

Result: Lost bookings & operational errors

**Connect | Powered by Purple Technologies**

# One System. All Channels

---

**Connect enables hotels to**

- Manage all OTAs from one dashboard
- Sync rates & inventory in real-time
- Eliminate manual updates
- Avoid overbookings

**Connect | Powered by Purple Technologies**

# Reach 150+ Channels Worldwide

- Connect with major OTAs
- Access global distribution networks
- Expand your market reach instantly
- Sell across multiple regions

Be everywhere your guests are

Connect | Powered by Purple Technologies
