

B2B TRAVEL OPERATING SYSTEM

Build. Control. Scale

THE PROBLEM

Travel Businesses Are Growing But Systems Are Not

- ✓ Disconnected booking systems
(Hotels / Flights / Transfers / Activities)
- ✓ No centralized control over agents & sub-agents
- ✓ Weak credit & payment management
- ✓ Manual invoicing & reconciliation issues
- ✓ No real-time control on bookings & liabilities

RESULT: REVENUE LEAKAGE, INEFFICIENCY, AND ZERO SCALABILITY

THE SOLUTION

One Platform. Total Control

P Plus is a complete B2B OTA
Technology Platform designed to

- ✓ Centralize inventory across all travel services
- ✓ Digitize agent network (GSA / Branch / Agent / Sub-Agent)
- ✓ Automate financial control, invoicing & credit limits
- ✓ Eliminate operational dependency

BUILT FOR MODERN TRAVEL COMPANIES WHO WANT TO SCALE GLOBALLY
